PowerBI Desktop vs Pro vs Premium:

A Power BI Pro license enables a user to collaborate with other Power BI Pro users by consuming content from, and sharing content with other users with a Power BI Pro license. Only users with a Power BI Pro license can publish content to app workspaces, share dashboards, and subscribe to dashboards and reports. A free license enables a user to consume content in a workspace assigned to a Power BI Premium capacity and access to some of the features of the Power BI service for their own personal content in their My Workspace.

PowerBI is free to use; PowerBI Pro costs ₹660 per user per month. PowerBI Premium costs ₹330190 per month per user.
